EXAMINER'S AMENDMENT/COMMENT

Preliminary Amendment Received

1. Acknowledgement is made of the receipt of the Preliminary Amendments filed on October 24, 2003 .

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The primary reason for the indication of the allowability of claims 1-9 is the inclusion therein of the limitations of apparatus and method for recording a dot in the pattern corresponding to the first recording element and a dot to be recorded in the pattern corresponding to the second recording element, at the same level, do not coincide with each other in position except in the pattern at the highest level n. These limitations are neither suggested nor taught by the prior art of record, alone or in combination as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
